Registration Deadline SEPTEMBER 30, 2019 No Exceptions

Register NOW for the 62nd Annual La Jolla Christmas Parade & Holiday Festival

We have tried to make the registration process this year as easy and fast as possible. BUT before you begin, please review the information below. Participation in the parade is a non-exclusive event - open to all but it is very important to remember that there is **ONLY ONE Santa Claus who arrives in the Old Black Goose at the end of the Parade to the delight of children of all ages and is at 1008 Wall Street for photos**. No other Santa needs try to register for either the parade or the festival as they will not be allowed in the parade, if they are dressed as Santa.

General Information

- Make sure you and your group arrive at the designated times to the designated location. We realize that there is time spent waiting for the Parade to begin, but we need your group lined up at the specified time and appreciate your friendly cooperation. Unfortunately, it is the nature of the beast. Day of Parade Contact can check in for the whole group when the Information Booth opens and participants can arrive at the specified time. All Floats must arrive at specified time and complete the safety check. Judging for float awards happens at noon sharp in order to place award banners and announce awards to media and parade announcers.
- An **Application for the Holiday Festival** is also provided. Please make sure you are using the correct form to **register for the Parade** and/or **Apply for the Holiday Festival**. After a complete list of names for those wishing to participate in the Festival are gathered, our Festival Coordinator will make a decision on who can be added to the Festival Program. To be considered for the Festival, please go to the Parade Home Page and click on the **Festival Application button** and complete the questionnaire. You will be contacted in plenty of time to make your arrangements. There is limited room in the Festival area, which will feature Stage Entertainment and Photos with Santa, in front of 1008 Wall Street.
- The Parade is a family friendly event meant to bring joy to children of ages. Floats, Bands, Marching Units, Equestrians, Vintage and Classic vehicles festively decorated in keeping with the theme are welcome to register. Entries whose sole purpose is to advertise companies, products, individual businesses and services are not given priority and most likely we will not be able to be accommodated within the space limits. Space is limited, and registration is only confirmed in Mid-November after registration closes September 30, 2019. Consequently, no entry is guaranteed a spot in the Parade lineup until a confirmation email is received and a lineup position provided.
- We have space limitations which are governed by city regulations and safety concerns. Please register early to make sure that your registration is accepted by **midnight September 30, 2019**.

- **To Register for the Parade**

You will be asked to enter your email address as well as a Login Name and Password. The login and password will be attached to your on-line Registration Form allowing you to exit and re-enter your registration form to make corrections and/or add information. **PRINT AND RETAIN YOUR LOGIN INFORMATION** when you register the first time on the website. **Registration will close midnight September 30, 2019.** Details on the Parade will be updated and posted on the website as they become available. This will include Arrival Instructions and other logistical information as the parade date approaches.

It is very important that your Entry Name be noted on your Registration Form exactly as you want it to on Program and Announcements.

- **Type of Registration**

Select "Entrant" and the form will prompt you to provide the information needed for your type of entry.

- **Type of Entrants**

Indicate if you are entering as a Band, Equestrian, Marching Unit, etc. Please note, we will correct your category of necessary.

- **Primary Contact Information**

It is important that we have **complete information for the person handling your group's registration as well as complete information for the Day of Parade contact person.**

- **Day of Parade Contact Information**

Please provide a cell phone contact number for your group's Day of Parade Contact. We need this number in case we have to contact that individual with any DOP changes, etc.

- **Number of Participants**

Providing us with a correct count of your group's participants will allow us to place them correctly/comfortably in the pre-lineup areas as well as the lineup.

- **Type of Music**

Live, Recorded, None

- **Comments**

Please add any notation or request that you would like Coordinators to see. For example, if your group has small children participating and you would like to request a certain placement in the lineup this is the place for you to make your request. Our Coordinators do try to fill requests, but with the Parade as large as it is, it is impossible to please everyone. We already know that every entry wants to be early in the parade.

- **Scripts are announcements made by the Toastmasters at Announcing Stations along the parade route. (They are short and should be able to be read in about 20 seconds or about 60 words.) Note: NO PARADE REGISTRATION CAN BE COMPLETED UNTIL A SCRIPT HAS BEEN ENTERED.) This will allow our announcers to acknowledge each entry participating in the Parade as they pass by the stations. Announcers will truncate lengthy text to fit the time allotted.**

- **Requirement to Comply with San Diego Regulations and Waiver Agreements**

As always, the City of San Diego requires strict adherence to a [No Throwing of Objects and Safe Materials for Decorations Regulations](#). Further, it is required as part of approval for our Permit that each Parade entry must acknowledge they have read the regulations and agree to the terms, during registration. When prompted, click where indicated and a PDF file will open at the bottom of your screen. Please note, this information **must be read and acknowledged**. This is done by clicking in the box provided. Your registration will not be able to be submitted until this step is completed.

- **You can add to or edit your initial registration information and Script throughout the registration period but not after midnight September 30, 2019.**

During registration, Registrants will be prompted to provide an email address and set a password so that you can exit and re-enter the registration site to make corrections and/or add information during the registration period. If you participated in previous parades, your email June be recognized by the database and you can enter or reset your password; however, to use a different email, please click the start registration text on the lower right portion of the registration form. See the examples provided on the next page. **Please print and retain your login information** when you register the first time on the website. **Arrival Instructions and other detailed logistical information will be provided after your confirmation and closer to the date of the**

parade. It will be posted on the website as soon as it is available.

Questions or requests for additional information should be sent to **Pat Wells, Parade Administrator** via email: info@ljparade.com.
